

Blog going on autopilot for a while

 devblogs.microsoft.com/oldnewthing/20040126-00

January 26, 2004

Raymond Chen

I will be out of town for a few weeks, so I have set my blog on autopilot. There will still be an article every weekday at 7am Pacific time (assuming the autopilot machine doesn't suffer a power outage or something), but I won't be around (much) to respond to comments.
