

Returning to Sweden, this time with some actual knowledge of Swedish

 devblogs.microsoft.com/oldnewthing/20040309-00

March 9, 2004

Raymond Chen

I will be in Stockholm from March 24th to April 7th, with an excursion to Göteborg thrown in at some point yet to be determined, probably the 29th to the 1st. So the blog will be on autopilot for a few weeks. (Assuming I can even generate that much advance material. If not, then it will just plain go quiet.)
