August 24, 2005

Raymond Chen

Every Wednesday evening in August of this year, Marymoor Park will be showing a movie. Tonight's movie is *Bend It Like Beckham*. The movie begins at dusk, and a \$5 donation is suggested, proceeds to be shared between the park and a local charity. The charity tends to be thematically related to the movie; for *Beckham*, for example, part of the money will go to the Lake Washington Youth Soccer Association.
