

# 21: like 24 but three hours shorter

---

 [devblogs.microsoft.com/oldnewthing/20080404-01](http://devblogs.microsoft.com/oldnewthing/20080404-01)

April 4, 2008

Raymond Chen

When I first heard that a new project titled 21 was coming out, I simply assumed it was the same as 24, except that Jack Bauer gets some sleep.

**Pre-emptive snarky comment:** “Somebody was clearly sleeping when they designed Vista.”
