

May the Horse Be With You: Stories from the racetrack

 devblogs.microsoft.com/oldnewthing/20090119-01

January 19, 2009

Raymond Chen

Only a Game interviews Harvey Pack [real], author of *May the Horse Be With You*, a collection of stories about horse racing. I don't really care much about horse racing, but I do love a good story, and Harvey Pack has a bazillion good stories.
