Microspeak: Recommends (noun)

devblogs.microsoft.com/oldnewthing/20090203-00

February 3, 2009

Raymond Chen

I have only one citation, but the usage is so egregious to me that one citation is all I need.

> I'm looking for XYZ recommends. My requirements are…

Why write *recommendations* when you can shorten it to *recommends* and sound buzzwordier at the same time!
