

# The latest installment of Wallace and Gromit coming to Seattle

---

 [devblogs.microsoft.com/oldnewthing/20090525-01](http://devblogs.microsoft.com/oldnewthing/20090525-01)

May 25, 2009

Raymond Chen

The [Seattle International Film Festival](#) is under way, and you get only one chance to see *Wallace and Gromit: A Matter of Loaf and Death*, featuring our favorite inventor/cheese-aficionado and his trusty sidekick on their latest animated adventure.

Be there on Saturday morning, but please leave the Stinking Bishop at home.
