

Viral video: Pianotrappan

 devblogs.microsoft.com/oldnewthing/20091014-01

October 14, 2009

Raymond Chen

Yes, it's an advertisement for Volkswagen, but still, it's a fun video, and it features Scarlatti's keyboard sonata in C (K159) as a bonus. Even the old guy who shuffles along slowly at 1:23 tries the stairs.

Double bonus: You can watch the original Swedish version.
