

The magic of chocolate milk

 devblogs.microsoft.com/oldnewthing/20091125-01

November 25, 2009

Raymond Chen

While enjoying a meal with my nieces (at the time, ages 3 and 5), I diluted my chocolate milk to cut the sweetness. The nieces then demanded that I dilute their chocolate milk as well, because as far as they could determine, it was *a magical way to create more chocolate milk*.
