In my [2011 mid-year link clearance](#), I linked to the story *[And that's why you should learn to pick your battles](#)*. I thought that was the end of the story, but no, it's the gift that keeps on giving. Beyoncé, the giant metal chicken [has a Facebook page](#), populated with all sorts of crazy things like pictures of Beyoncé's relatives spotted in the wild (some of them knocking on doors or peeking in windows), a *No Soliciting* sign just for giant metal chickens, and an updated version of the chart of anniversary gifts [which lists BIG METAL CHICKEN as the modern 15th anniversary present](#).
