Vintage Computer Festival Pacific Northwest 2019

March 22, 2019

Raymond Chen

This upcoming weekend, the Vintage Computer Festival Pacific Northwest 2019 will take place at the Living Computers Museum+Labs in Seattle. The festival is included with admission to the museum. ($18 general admission.)

"Team emulators" Darek Mihocka, Danny Miller, and Steven Noonan will be there with an exhibit titled *40 years of Atari on the desktop: from the Atari 400 to virtual machines*. Actual computers from 1979!
