Item 1.05 Material Cybersecurity Incidents.

On or about March 27, 2024, OraSure Technologies, Inc. (the “Company”) became aware of a cybersecurity incident in which an unauthorized third party gained access to Company data from certain information systems. Following detection of the incident, the Company initiated response protocols, commenced an investigation with the assistance of cybersecurity experts and external counsel, and notified law enforcement. The Company believes it has contained the incident and believes it has preserved the integrity of its core financial and operational systems.

Although the Company ascertained that certain files were exfiltrated, it is still investigating the extent of any sensitive information contained within the accessed systems, including any personal information. It is evaluating what, if any, regulatory and legal notifications are required as a result of this incident and will make such notifications as required based on its findings.

As of the date hereof, the incident has not had a material impact on the Company’s operations, financial systems, or its financial condition. The Company’s information systems are operational, and it does not anticipate that this incident will have a material impact on its financial condition and results of operations moving forward. While the Company believes it has contained the incident, it continues to investigate this matter to determine the full extent of the impact on the Company.

Item 7.01 Regulation FD Disclosure.

The Company reiterates its previously communicated financial guidance regarding its revenue for the first quarter of 2024.

The information in this Item shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934 or otherwise subject to the liabilities of that section, nor shall such information and Exhibit be deemed incorporated by reference in any filing under the Securities Act of 1933, except as shall be expressly set forth by specific reference in such a filing. The fact that the information is being furnished should not be deemed an admission as to the materiality of any information contained therein. The Company undertakes no duty or obligation to publicly update or revise the information contained in this Current Report.

Forward-Looking Statements

This Current Report on Form 8-K contains “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements are based on management’s current expectations and assumptions, are not based on historical facts and are subject to risks and uncertainties, and other important factors that could cause actual results to differ materially from those expressed or implied in the forward-looking statements and can be identified by the fact that they do not relate strictly to historical or current facts and may contain the words “believe,” “anticipate,” “estimate,” “expect,” “will,” or other similar words and phrases or future or conditional verbs such as “could,” “may,” “will,” or “would.” Readers are cautioned not to place undue reliance on our forward-looking statements, as they speak only as of the date made. We disclaim any obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.
