

SideCopy Continues to Target Indian Defense Organization

 seqrite.com/resources/sidecopy-continues-to-target-indian-defense-organization

Quick Heal's APT Team discovered an ongoing campaign by SideCopy APT against an Indian defense organization. Working as a separate threat group under Transparent Tribe (APT36), this Pakistani threat actor has been conducting multiple attacks against the Indian government and military entities since 2019. Read more about this in this whitepaper.
